

**DAY 1 SESSION – II**  
**3:00 – 4:00 p.m.**

**HALL 6 (SEATING CAPACITY 378)**

**Theme: Strengthening the National Register of Homoeopathy: Vision, Process & Roadmap**

**Session Highlights:**

This session emphasises the vital role of The National Register of Homoeopathy (NRH) as a critical pillar for ensuring the credibility, accountability, and professional integrity of homoeopathic practitioners across India. Strengthening NRH is not merely an administrative exercise anymore it is a strategic reform that can transform homoeopathy into a more transparent, trusted and future-ready healthcare system. A strong NRH will ensure: One Nation – One Register, Uniform standards of registration and practice, Transparency and public trust, better workforce planning for government and healthcare delivery, Digital verification and prevention of fake practice Ultimately, Aim of Board of Ethics and registration for homoeopathy is that NRH should become a national professional identity platform for every homoeopathic doctor.
